

Worksheet: 01

Webinar: Multisensory Experience Development

Scenario 1: Visiting a museum

1. Is there an opportunity to incorporate the sense of sound?

2. Can the experience be enhanced with the sense of taste?

3. Where in the tour do you think it's appropriate to add these senses?

Scenario 2: 4-hour hike and kayak excursion

1. Is there an opportunity to incorporate the sense of touch?

2. Can the experience be enhanced with the sense of taste?

3. Where in the tour do you think it's appropriate to add these senses?
